+33 6 24 08 75 45 | stanley.jomie971@gmail.com | linkedin.com/in/stanley-jomie

PROFESSIONAL EXPERIENCE

Sep 2024 – Sep 2026(2 years)

Air France-KLM *Business Analyst AMOA Finance (Apprenticeship, 2 years)*

- **Data analysis —** processing and reconciliation of the group's consolidated financial data for budget close cycles and N+2 revenue / provisional budget tracking (SAP BPC, BW, Power BI, AFO)
- **Predictive modelling —** designed a machine learning model predicting flight cancellation costs, informing flight-shedding decisions and cutting processing time by several hours per month (Machine Learning, Algorithms, Agentic,...)
- **Data management —** IFRS18 data ingestion and consistency controls (Forecast, Budget, Update)
- **Project coordination —** interface between IT and Management Control teams for the S4/Hana migration (multi-tab functional specifications)
- **Knowledge sharing —** facilitated training workshops on financial analysis tools for business teams

Jul 2021 – Sep 2024

Air Caraïbes *Business Analyst (Apprenticeship, 3 years)*
Reporting to the Deputy CEO:

- **Analysis & reporting —** built and ran the monthly Power BI reporting cycle, analysing performance trends for travel agencies and corporate clients
- **Commercial ownership —** marketing of the Flexil Pro product (Air Caraïbes / French Bee) across France, Europe and the USA (B2B)
- **Management —** led the 2022 & 2023 summer sales operations (29 staff across 3 geographic areas)
- **Partnerships —** managed diplomatic partnerships (Consulates, National Assembly, Senate) and the France-Europe associative portfolio
- **Representation —** trade shows, workshops, webconferences, partner events and media interviews (BFM, local TV channels)
